MEMORANDUM FOR: Deputy Director for Administration

FROM:

IBM Contractor, Systems Planning and
Evaluation Division, EG/OIT

SUBJECT: Participation at the CMG 1987 Conference

1. I request permission to participate at the Computer Measurement Group 1987 Conference, including publication of a paper titled "A Flexible Approach to Performance Prediction for Large System Software Development." A copy of the paper to be published is attached.

2. When approved, I intend to participate at the Computer Measurement Group Conference to be held in Orlando, Florida, 7-11 December 1987.

3. None of the material to be published is classified or controversial. The paper describes development project work I completed for another IBM customer before entering on duty as an IBM contractor with the Agency. It will be presented by the co-author, who still works on that development project. The paper does not in any way discuss my current work with the Agency.

4. I am an IBM employee. If any reference is made as to the source of any data discussed, it will be identified only as from 'customer' accounts.

Attachment:
As stated

I have reviewed the attached text; have found it to be unclassified; and approve it for presentation.
